Sir:

In reply to the June 7, 2004 Notice under 37 CFR §1.251, please incorporate into the above-identified application for reconstruction the enclosures as follows:

- (1) A copy of the record of all correspondence between Applicants and the Patent Office;
- (2) A list of such correspondence; and
- (3) Remarks, including a statement regarding the submitted copy.

REMARKS

Claims 1-39 are pending and awaiting further action by the U.S. Patent and Trademark Office. Legal Instruments Examiner Green is thanked for the courtesies shown to Applicants' representative during the May 26 telephone interview.

Enclosed is a copy of the record of all correspondence between Applicants and the Patent Office. Also enclosed are a list of such correspondence and a copy of the completed Form PTO-2053-B portion of the Notice under 37 CFR §1.251.

It is respectfully submitted that the enclosed copy of the record of all correspondence between Applicants and the Patent Office is a complete and accurate copy of the Applicants' record, except for U.S. patent documents.

Further, it is respectfully submitted that Applicants are unaware of any correspondence between the Patent Office and Applicants for the above-identified application that is not among Applicants' records, as provided hereto.

Should the U.S. Patent and Trademark Office require further information, its representatives are invited to contact Applicants' undersigned representative at the telephone number listed below.

Respectfully submitted,

James A. Oliff

NOTICE UNDER 37 CFR 1.251 - Pending Application

☒ The file of the above-identified application cannot be located after a reasonable search. Therefore, the Office is initiating the reconstruction of the file of the above-identified application pursuant to the provisions of 37 CFR 1.251.

Applicant is given a period of **THREE (3) MONTHS** from the mailing date of this notice within which to provide a copy of applicant's record (if any) of all of the correspondence between the Office and applicant for the above-identified application (except for U.S. patent documents), a list of such correspondence, and a statement that the copy is a complete and accurate copy of applicant's record of all of the correspondence between the Office and the applicant for the above-identified application (except for U.S. patent documents), and whether applicant is aware of any correspondence between the Office and applicant for the above-identified application that is not among applicant's records.

☒ The following paper(s) pertaining to the above-identified application cannot be located after a reasonable search:

Therefore, the Office is initiating the reconstruction of such paper(s) pursuant to the provisions of 37 CFR 1.251.

Applicant is given a period of **THREE (3) MONTHS** from the mailing date of this notice within which to provide a copy of the paper(s) listed above and a statement that the copy of such paper(s) is a complete and accurate copy of applicant's record of such paper(s).

Alternatively, applicant may reply to this notice by producing applicant's record (if any) of all of the correspondence between the Office and the applicant for the above-identified application for the Office to copy (except for U.S. patent documents), and provide a statement that the papers produced by applicant are applicant's complete record of all of the correspondence between the Office and the applicant for the above-identified application (except for U.S. patent documents), whether applicant is aware of any correspondence between the Office and the applicant for the above-identified application that is not among applicant's records. Such records must be brought to the Customer Service Center in the Office of Initial Patent Examination (Crystal Plaza 2, 2011 South Clark Place, Arlington, VA 22202).

If applicant does not possess any record of the correspondence between the Office and the applicant for the above-identified application (or any copy of the paper(s) listed above), applicant must reply to this notice by providing a statement that applicant does not possess any record of the correspondence between the Office and the applicant for the above-identified application.

Failure to reply to this notice in a timely manner will result in abandonment of the above-identified application. The three-month period for reply to this notice may be extended (up to a maximum of six months) under the provisions of 37 CFR 1.136(a). However, failure to reply within this three-month period will result in a reduction of any patent term adjustment. See 37 CFR 1.704(b).

☒ A printout from PALM of the contents of the file of the above-identified application is included with this notice.
